

New Outbreak Creation and Survey Completion Using the POMP Portal

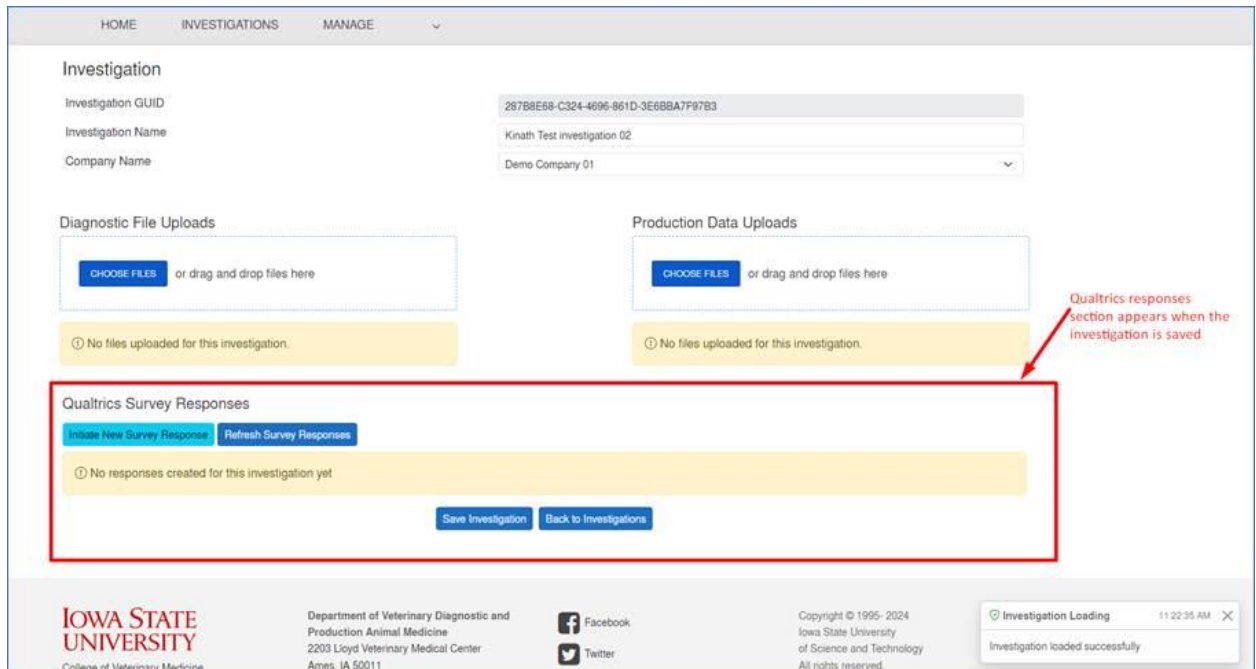

1. Login to the POMP Portal (<https://fieldepi.org/pomp-web/>) using the provided username and password.
2. Navigate to 'Investigations' page and click on 'Create Investigation' button.

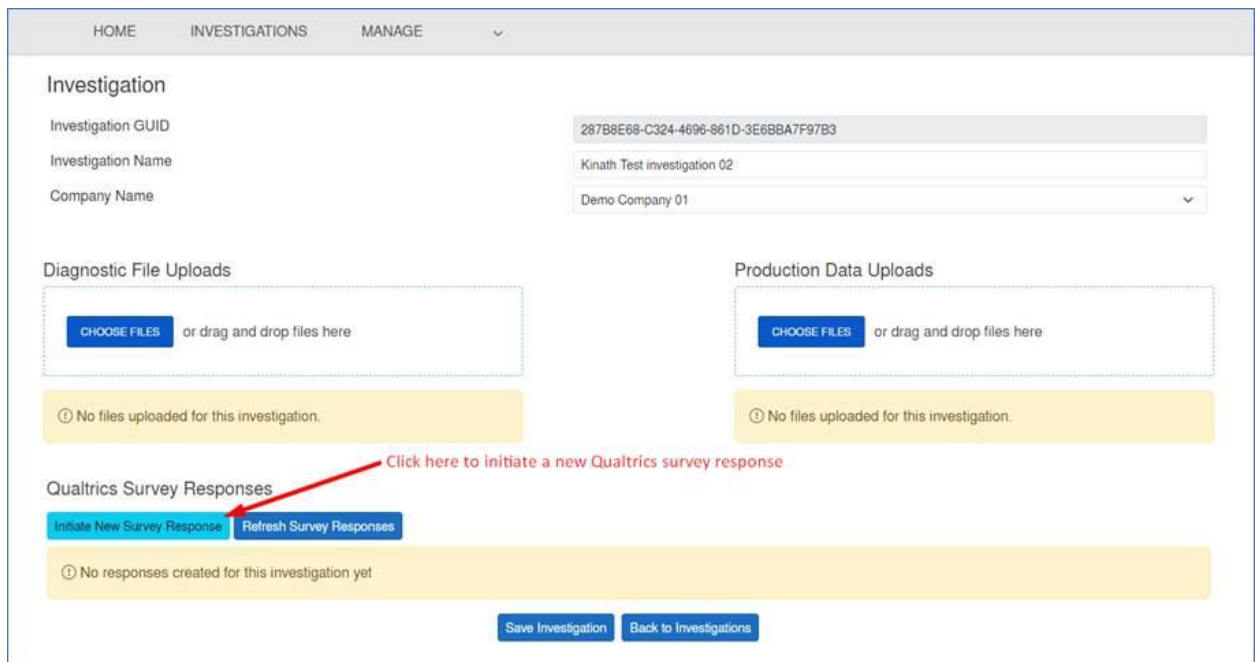

3. Enter the site name and outbreak date (month and year) for the "Investigation Name" and select the company from the drop down menu; save the investigation.

- Once the investigation entity is saved successfully, the Qualtrics Responses section will appear.

- In order to initiate a new Qualtrics response, click on 'Initiate New Survey Response' and the Qualtrics survey will be opened in a new page

- Once the survey is completed, submit the survey.

Yes

No

Earlier you indicated that the response plan to manage the **current PRRSV outbreak** is: **Control and eliminate (targeting going naïve)**.

Was the response plan maintained until the outbreak was resolved?

Yes

No

Could you describe some reasons why it was needed to change the response plan?

Add any additional actions taken during the PRRSV outbreak management for the current outbreak.

7. Navigate back to the investigation and click on 'Refresh Survey Responses'

The image displays two screenshots of a web application interface for managing investigations. The top screenshot shows the 'Investigation' details page with fields for Investigation GUID, Name, and Company Name. Below these are sections for 'Diagnostic File Uploads' and 'Production Data Uploads', each with a 'CHOOSE FILES' button. The 'Qualtrics Survey Responses' section contains two buttons: 'Initiate New Survey Response' and 'Refresh Survey Responses'. A red arrow points to the 'Refresh Survey Responses' button, with a text annotation: 'Click on Refresh Survey Responses to sync Qualtrics entries with the POMP portal'. At the bottom of this section are 'Save Investigation' and 'Back to Investigations' buttons.

The bottom screenshot shows the same interface but with a modal dialog box titled 'Sync Responses' overlaid. The dialog contains the text: 'Qualtrics responses are being synced. Please wait...'. The background interface is dimmed, and the 'Refresh Survey Responses' button is highlighted with a blue border.

8. Once the synchronization is completed, the newly created survey responses will appear under Qualtrics Survey Responses section.
